

Go from Today's Rising Star to Tomorrow's Leader:

FRAMEWORK LEADERSHIP FOUNDATIONS PART 1

Are you a first level manager/supervisor, team lead, project manager, or individual contributor with cross-functional responsibility?

Learning to coach, inspire teamwork, delegate, and create accountability in the "School of Hard Knocks" and wishing for a stronger foundation?

Transitioning from high achieving individual contributor to effective leader is tough, and even the most dedicated new leaders can easily stumble when learning by trial and error.

Framework Leadership Foundations Part 1 equips you with a foundation of "inside-out" leadership and the skill pillars of powerful listening, creating trust, effective delegation and accountability, and "carefrontational feedback."

Step into your role with confidence and competence – strengthened by higher self-awareness and a toolbox of leadership skills!

"INSIDE-OUT" LEADERSHIP

Learn how to recognize and weaken your self-limiting Saboteur voices and strengthen your inner Sage to improve your relationships and reduce stress and self-doubt.
